A warm welcome to you if you are visiting us: This morning we are looking forward to the Bishop preaching at Holy Communion, celebrating our Vicar Andie's 40 years of ministry as a presbyter (priest) in the Church of England. After the service we will be able to talk to the bishop and each other, over our usual tea, coffee—or wine and treats provided by Andie and Jane. Children's refreshments are available in the Playspace, under parents/carers supervision.

Yesterday was Armed Forces Day: 'In recognition and celebration of the wonderful service provided by our regular and reservist soldiers, sailors, airmen and marines, past and present, and the families that have supported them in turn. Rarely in our recent history has the British Public owed so much to those in uniform. Whether manning testing stations in the wind and rain, giving up weekends and leave to bolster the NHS, or rolling out much needed vaccines across the country, our armed forces have been on the frontlines in the fight against Covid-19. But we also understand that when serving people hang up their uniform it can be difficult for them and their families without that sense of service and purpose anymore. And when military experiences are lost in translation it can make life really hard. That's why the RBL has been standing with the Armed Forces community for 100 years. For us, every day is Armed Forces Day. From 1921 to this day, the RBL have been challenging injustices and ensuring all who have served and sacrificed on our behalf get the fair treatment, support and recognition they deserve. And, with your support, we'll keep doing so for the next 100 years' (RBL). **Over the 10 years here on the island, Andie has been County Chaplain for the RBL, please continue to remember the Armed Forces in your prayers.**

Saints and Sinners in St George's Churchyard on Saturday 17th July 2.30pm

Children are very welcome at St George's with All Saints!

We understand that babies and very little ones may not be so quiet as older children and adults: parents/carers, please don't be embarrassed by this.

For children aged 3 and under we have a Playspace where parents (or other adult carers) may take their children.

There are baby changing facilities in the larger W.C. N.B. you are responsible for your child at all times – the church is a public space.
